SIR

I have the honour to state that Government in their order No L 7034-35/M1 24-38-95 dated 3-3-39, sanctioned the temporary establishment consisting of a Suboverseer on Rs 80 + 5, 1 Maistry on Rs 30/-, 1 Clerk on Rs 30/- and a laskar on Rs 10/- in connection with the new Municipal Offices extension work and sanction of Government for its continuance was being obtained thereafter year after year The Government in their order No L 1145-46/M1 10-41-8 dated 8th August 1941, sanctioned the continuance of the said establishment during the year 1941-42 The establishment thus sanctioned was entrusted with the marginally noted works

1	Extension of the rear portion of the Municipal Office	Rs 29,300
2	Construction of the Municipal Office Restaurant	8,477
3	Construction of Swimming Pool	36,000
4	Construction of the compound wall in the rear portion of the New Municipal Offices	2,000
5	Extension of Seth Chellaram Maternity Home in Kempegowda Road	4,990
6	Municipal Tower work	19,985

Of these, the first four works have been completed but the correspondence connected therewith and the preparation of final bills still remain unattended to The remaining two other works i e the construction of the Municipal Tower and the extension of the Seth Chellaram Maternity Home are still under progress and require about six months for completion The Municipal Engineer has submitted a

submitted a proposal to the effect that the services of the Suboverseer and the lascar may be terminated from 1-7-42 and that only the services of the clerk on Rs 30/- and of the Maistry on Rs 30/- might be continued for six months more so that all the above mentioned items may be attended to finally under the supervision of the Divisional Suboverseers The services of the Clerk and the Maistry are quite necessary so that the former may attend to the connected correspondence and preparation of all the bills, as the same cannot be attended to by the existing staff of the Municipal Engineer's office which is already overburdened with heavy work and that the latter may keep constant watch over the work of the contractors, as the Divisional Suboverseer can only supervise the work spots occassionally and give necessary instructions The above proposal of the Municipal Engineer was placed before the Managing Committee and the Municipal Council at their meetings held on 30-5-42 and 23-6-42 respectively and they have approved of it The expenditure on this account will be met out of the provision made under establishment charges in the estimate for the construction of the Municipal Office Tower

Copies of the resolutions of the Managing Committee and of the Municipal Council ~~Council~~ together with a copy of the Municipal Engineer's memo No E2 Pr 54/41-42 dated 5th May 1942 in the matter are enclosed herein for favour of obtaining the sanction of Government to the continuance of the post of the clerk and the maistry on Rs 30/- each, per month for six months from 1-7-42 as resolved by the Municipal Council

I have the honour to be,
Sir,

Memo No E2-PR 54/41-42 from the Municipal Engineer, Bangalore City Municipality, Bangalore to the Municipal Commissioner, Bangalore City Municipality, Bangalore City

---

As per G O No L 1142-46/M1 20-42-8 dated 8th August 1942 the establishment sanctioned for New Municipal Office Extension, terminates on 30-6-42 Mr Y R Narasimhaiya, Overseer, has been ordered to be retired with effect from 14-6-1942 He joined duty as Suboverseer against sanctioned post of Suboverseer in New Municipal Office establishment He was promoted subsequently in the D P W as Overseer and in consequence he was temporarily made Overseer in the Municipality With his retirement the temporary post of the Overseer also ceases to be

2 The Overseer is at present in charge of (1) Tower Work, (2) Extension of Maternity Home in Kempegowda Road and (3) Construction of compound wall in the rear portion of New Municipal Office The items 2 and 3 are nearing completion, while the Tower work is half finished and it may take at least 6 month's more time from 1st July 1942 to complete it There is thus no sufficient work to justify the continuance of a whole time Suboverseer in the New Municipal Office establishment The tower work will be entrusted to one of the subordinates of the permanent establishment Mr D Nanjappa who is an Engineering graduate, at present, attending to 'Market baffle walls' will be in charge of Mr Narasimhaiya's work The post of Suboverseer in the New Municipal Office may conveniently be abolished

3 As regards the post of the Maistry and the clerk attached to the establishment, the posts may continue for another 6 months, i e , till the end of December 1942, since the services of these two officials are absolutely necessary till the work of the tower is firally completed The post of the peon attached to the establishment may also be abolished as there is no necessity for the services of a peon in view of the fact that the post of the Assistant Engineer who was in charge of special works was retrenched

The subject may kindly be placed before the Council
